Hello Sarah,

Thanks for taking my call! I hope you feel better very soon.
Here are the cases I mentioned over the phone:

Free Bulky Item Drop Off Saturdays currently require proof of residency in order to drop off material. However, we are hoping that the program and the distribution of the program flyers will help to decrease illegal dumping in our district. This is unlikely if a DWP bill is required. Is there any chance it would be possible to change this policy? The Councilmember would like to know.
Thank you!

Secondly, Martin Eisen lives at 19207 Oxnard Ave in Tarzana. His home backs onto an alley and he has complained that the Sanitation truck has repeatedly put his bins down in front of his garage, making it difficult for him to get out of his garage in the morning. His phone number is 818-520-1652. Is this something you could bring up with the drivers of his route? Thanks so much!

Sincerely,
